Instructions

- GENERAL:** An empty, 28-foot commercial trailer will be delivered by Old Dominion Freight Line, Inc. ("OD") to customer or its designated agent (together, "Customer") on the Trailer Drop Date at the Origin Address. Customer shall load, unload, pack and unpack all freight. The freight loaded by Customer on the trailer constitutes the "Shipment." To arrange for the loaded trailer to be picked up, contact OD at: 877-358-6928. OD will deliver or pick up Customer's trailer on Monday through Friday only. Customer must be present on the Trailer Drop Date or the trailer will not be delivered and additional fees shall apply as set forth in the "Terms and Conditions" on OD's website. The estimated transit time ("Service Days") is the number of days beginning with the first business day following pickup by OD and ending with the date the Shipment is expected to be delivered to the Destination Address (the "Estimated Delivery Date"), and does not include date of pickup, weekends or holidays. For multiple trailer shipments, Service Days are computed beginning with the business day following pickup of the last loaded trailer. Customer or the recipient, if Customer is not the recipient of the Shipment ("Recipient"), is responsible for contacting the OD terminal for pickup of the trailer when Customer has completed the packing/loading or Customer or Recipient has completed the unpacking/unloading, as applicable.
- PACKING, LOADING, UNLOADING AND UNPACKING:** Customer (and not OD) is solely responsible for all packing, loading, unloading and unpacking. Customer is responsible for packing all personal effects using proper containers and protective padding supplied by Customer. OD is responsible for installing the bulkhead, an OD-supplied wall that separates the Shipment from other cargo on the trailer. The bulkhead is not designed to withstand the entire weight of the Shipment if the load shifts in transit. The maximum weight allowed on the trailer is 825 pounds per linear foot. Any Shipment that exceeds this weight limit will be subject to additional charges.
- TRAILER PARKING:** An OD 28-foot commercial trailer will be delivered on the Trailer Drop Date at Customer's sole risk at the Origin Address and is expected to be delivered on the Estimated Delivery Date at Customer's sole risk at the Destination Address. Customer, for itself and on behalf of Recipient, agrees that OD shall have no liability for any damage to real property or improvements arising out of the placement or removal of the trailer or any Equipment as defined in Section 4 below. It is Customer's responsibility to obtain permission for the placement of the trailer and all Equipment. Customer will be responsible for any charges or fees, including but not limited to parking charges, fines, violations, towing, or real or personal property damage, arising from the placement of the trailer or Equipment.
- OPTIONAL EQUIPMENT:** A ramp, hand truck and, at times, other OD equipment (together, the "Equipment") will be available at most locations and will, if available, be delivered with the trailer to the Origin Address and/or the Destination Address solely for Customer's use in loading and unloading the Shipment. The maximum weight limit for the ramp is 1,000 pounds. Customer or Recipient must return the Equipment provided by OD by loading the Equipment on the trailer but outside the bulkhead wall. The Equipment is not intended to travel in the trailer with the Shipment inside the bulkhead. Additional charges will apply if the Equipment travels with the Shipment to the Destination Address. If the Equipment is not returned to OD, replacement charges of up to \$1,250 will be applicable and will be charged to Customer.
- HAZARDOUS WASTE, HAZARDOUS MATERIALS AND COMMODITIES OTHER THAN HOUSEHOLD GOODS:** Customer agrees to include only household goods (e.g., personal effects, furniture, furnishings, and similar items associated with or used in a personal or family residence) in the Shipment, but no items of unusual value as defined in the Tariff ODFL 100 series.
- Customer further agrees not to include propane tanks (full or empty) or hazardous waste or hazardous materials of any type (including but not limited to petroleum products, compressed gases, corrosives, explosives and flammables) in the Shipment. All fines, charges, losses, damages or injuries arising from violation of this section shall be the sole responsibility of Customer.
- LIMITED CARGO LIABILITY:** Since Customer is responsible for the packing, loading, unloading and unpacking of the Shipment, the parties agree that OD shall only be responsible for loss or damage relating to the Shipment caused by OD's negligence and hereby waive the provisions of the ICC Termination Act at 49 U.S.C. §§13101 et seq. (except §14706 thereof) to the extent inconsistent with this bill of lading. The parties agree that §14706(a)(1) shall be deemed modified to provide carrier liability only in the event of carrier negligence. In the event of any loss or damage relating to the Shipment caused by OD's negligence, and in consideration for the rates offered to Customer herein, OD's liability shall be limited to \$0.10 per pound per item damaged ("Coverage"). Customer should consult its homeowners' or renters' insurance policy, as appropriate, to determine if such policies would provide coverage for loss or damage to the Shipment during transit. OD's liability coverage is not insurance.
- LIABILITY:** Customer, for itself and on behalf of Recipient, agrees to indemnify, defend and hold OD harmless from and against any and all claims for loss, expense, liability, injury or damage arising out of or in connection with any action or omission by Customer, Recipient and its/their agents or contractors with respect to the Shipment. Except as provided in Section 6 above for cargo, OD shall not be liable and hereby disclaims responsibility for any direct, indirect, incidental or consequential damages, special, punitive, multiplied or other direct or indirect costs, lost profits, fees, or charges of any kind arising from any claims filed hereunder, or any other acts, including delays or omissions of OD, whether or not foreseeable, and whether or not disclosed to OD.
- ASSUMPTION OF RISK:** Customer, for itself and on behalf of Recipient, assumes all risks and liability arising from the improper use and operation of the Equipment, including packing, loading, unloading and unpacking and understands that the Equipment can cause injury or death to Customer, Recipient or others. Customer, for itself and on behalf of Recipient, assumes full responsibility for and agrees to indemnify, defend and hold harmless OD from any and all loss, liability, damage and expense in connection with Customer's improper use or operation of the trailer and/or Equipment while in the possession of Customer or Recipient, including packing, loading, unloading and unpacking and including without limitation any shift in the load in transit (see Section 2 above).
- TERMS:** The charges herein are based on the specific services outlined within this bill of lading, the related Terms and Conditions on OD's website, any OD Notes attached to or noted on this bill of lading, the rules and special service charges in the Tariff ODFL 100 series and Tariff ODFL 688 series (available on OD's website) and the terms and conditions in the Uniform Straight Bill of Lading as published in the National Motor Freight Classification in effect on the date of this bill of lading, all of which are incorporated herein and made a part hereof. Customer, the Recipient of the Shipment, and the Designated Agent of the Customer are each jointly and severally liable for payment of all freight charges related to the Shipment. When more than one trailer is required for a Shipment, the term "trailer" herein shall include "trailers" except for the reference in Section 1 to the "last loaded trailer." General principles of federal transportation law, statutes and regulations shall apply to the extent not expressly waived herein.

Destination Service Center PH#: **COS : (719) 3826677**

OD Household Services: 877-358-6928 / HouseholdServices@odfl.com

ORIGIN process:

1. Your move date is the date that the terminal will bring out your empty trailer. The local dispatchers can see your move 2 business days prior to your Move Date. To coordinate a time they will drop off of your empty trailer please give them a call the business day prior to your Move Date.
2. Once you have loaded your trailer, please be sure to call your local dispatcher to coordinate the pickup of the trailer. Without a phone call they will not know when it is ready.
*****Ramp/hand truck: These items do not travel with your trailer.** If you have filled your trailer let dispatch know so that arrangements can be made to pick-up separately. Equipment will be provided at destination for you. Your divider wall should also be placed at the rear of your items.
3. Your estimated transit time is **4-6** business days from the date of pickup, this does not include the date we actually picked up the loaded trailer.
*****Transit is estimated, should you need delivery on a specific date/time please contact OD Household Services for guaranteed and expedited options*****

DESTINATION process:

1. To ensure prompt delivery, please call the destination service center at the beginning of your transit window. The destination service center will coordinate the delivery of your items with you once the trailer arrives to them.
2. Once your delivery is completed and your trailer is empty please call dispatch back to schedule the pickup of the empty trailer.

**** All pickups and deliveries are done M-F non holiday's, if you require a pickup or delivery on the weekend, this can be done at an additional charge. Please contact OD HHS at 877-358-6928 to discuss these charges. ****
